*Manny F. Aguilera Highway * Dan Williams Construction*

Manny F. Aguilera Highway: We are 95% complete on earthwork and project to be done by the end of summer.

*Desert Pass * Bohannon Development*

Desert Pass: ZTEX is working on the sidewalks, driveways, curbs and the rock wall in between the buildings.

4 Rivers/John Deere Equipment Facility * Jordan Foster Construction

4 Rivers/John Deere: ZTEX will complete final grading once vertical walls are erected.

Desert Sky Town Homes * Scott Contracting

Desert Sky Town Homes: We are currently working on the water and sewer lines.

La Villita/Wholefoods * EMJ Corporation

La Villita: Currently working on laying the curb and gutter, final grading, subgrade prep for concrete paving and finishing TXDOT turning lane on Mesa St.

Jail Annex * Urban Associates Inc.

Jail Annex: ZTEX has completed the reshaping of the pond and is currently working on the final grading of the north sidewalks; the parking lots are to follow.

Montecillo Units * EPT Mesa Development

Montecillo Units 4A & 7: ZTEX has completed the alleyways with the base course.

Montecillo 5A: We are currently at 90% complete on shotcrete and 95% complete on the storm drain.

Estancias Bellas * Bella Homes

Estancias Bellas: ZTEX is currently working on the excavation of buildings 23 to 26.

Las Fuentes @ Edgemere * MEDA International

Las Fuentes @ Edgemere: ZTEX will begin fine grade, export, base course and asphalt paving.

Sky View Estates * Bella Homes

Skyview Estates: We are currently working on the base course and aim to start asphalt paving in May.
