ZTEX Construction Celebrates Its 10-Year Anniversary!!!

ZTEX Construction Inc. has celebrated a decade of success in delivering top notch civil construction services. We would like to thank our project partners for coming out and celebrating this achievement with us. This accomplishment would not have been possible without Mr. Richard Ortiz's leadership and the team he put together of enthusiastic, goal-driven, hard-working and dedicated employees.

Celebrating Our 10-Year Employees!

Mr. Richard Ortiz awarded four hard working (Manny Blanco, Raul Cordova, Pedro Olivas & Hugo Olivas) employees with Tag Heuer watches for their 10-Year anniversary of commitment and service.

ZTEX's Most Valuable Employee

This Month's Most Valuable Employee:
ISMAEL MEZA HIJAR

Congratulations to this month's most valuable employee, Ismael Meza Hjar. Ismael is a highly motivated individual who gets the job done without jeopardizing safety. Management has described him as an employee who is always looking out for the safety of his coworkers. When the job becomes difficult, Ismael is not afraid to take the reins and master the task at hand. He is a natural leader who can take charge when the going gets tough and does so with little to no direction from management.

Job Site Highlight Of The Month: West Towne Marketplace

West Towne Marketplace has been booming with development this month, under the leadership of Project Manager, Joaquin Royo (ZTEX Construction Inc. - Vice President) and Superintendents - Pedro Olivas Jr., Hector Delgado, Martin Carmona and Jesus Rivera. The crew is applauded this month for managing to stay safe and in high spirits during this month's aggressive schedule.

August Birthdays!
