

A Partner to Be Relied Upon

July 2016

## The Month of July Just Flew On By

**ZTEX Construction Inc. will be celebrating its 10-Year Anniversary on August, 18th. Congratulations, Mr. Richard L. Ortiz, for ten successful years of business. From all your staff, family and friends may you and the company reach many more!! We are all very grateful to be part of such a prosperous business. Stay tuned for the festivities on-line.**

### This Month's Most Valuable Employee: **AMADOR GARCIA**

Congratulations to Amador Garcia, ZTEX utility laborer, for being this month's Most Valuable Employee. He has an eagerness to learn and the ability to master tasks as if he knew how to do those things his whole life. Mr. Garcia is consistently well organized, well prepared and is recognized for his flawless paperwork. Operations Manager Pedro Olivas says that the thing that makes him stand out the most is his undeniable drive and respect for the field. He has all the essential elements that make a model employee. Thank you, Amador Garcia, for your dedication and effort!

**NEW EMPLOYEE:** With only a few weeks in, we can already find Arturo Vazquez, one of ZTEX's newest superintendents, in full force on the street resurfacing job sites. Arturo said he always knew that being in the construction industry was something he wanted to pursue and he has done so for 16 years. He says he takes joy in being part of a project from the ground up and prides himself in completing do-it-yourself ventures. When he is not at the shooting range in his spare time, you can find Arturo at home, watching action movies. Welcome, Arturo, and we look forward to your continued contributions.

### Heat Exhaustion

#### Warning Signs of Heat Exhaustion Include:

- Headaches, dizziness, lightheadedness or fainting.
- Weakness and moist skin.
- Mood changes such as irritability or confusion

**PROMOTED:** Miguel Luna started as a pipe setter and has devoted his talents and skills to ZTEX since September of 2015. Mr. Luna has 15 years of field experience and has worked with CMD Endeavors Inc. and Lane Construction Co. With the recommendation of Superintendent Mando Ortega, his perfectionist attitude and passion for doing his best, he became Superintendent in June. On his free time, Mr. Luna enjoys cycling and running in 100k bike and 5k runs around the El Paso area. Miguel and his team at the Fed Ex Jobsite stood out this month for following proper procedures when using the excavator.

### Job Site Highlight Of The Month: MONTECILLO

Superintendent Mando Ortega has directed his team to use the appropriate tools and to reach out to management when missing equipment was needed. His crew was also noted this month for using spotters when required.
